**WEEKEND WORKSHOPS**  
\*

**"CONSCIOUS RELATING  
&  
THE FORMATION OF THE CONSCIOUS TRIBE"**

*If you are a group of people living in the same area,  
who are interested in the Conscious Tribes approach and proposal -  
we can come to your locality  
and offer a Weekend Workshop especially for you.*

*The advantage of experiencing a Weekend Workshop where you live is that  
- since everyone lives in the same area -  
by the end of the weekend you'll already be a local Tribe!*

The content of these Weekend Workshops is the same as the content of the online courses (above) - but instead of being five weekly online meetings, we share it in five sessions over one weekend, like this:

Session 1: Friday 6pm - 9pm

Sessions 2 & 3: Saturday 10am - 2pm and 4pm - 7pm

Sessions 4 & 5: Sunday 10am - 1pm and 3pm - 6pm

There is no fixed cost - I ask for a Voluntary Contribution.

You can contribute in British Pounds, Euros, or Junas (the Free Currency G1).
